

# dsncpyblock

January 26, 2021

## Abstract

Copy a list of blocks to a dataset This task is part of the daltools package

## 1 Instruments/Modes

Instrument	Mode
------------	------

## 2 Use

## 3 Description

Copy a list of blocks to a dataset

This task copies a given set of blocks to a given dataset.

## 4 Parameters

This section documents the parameters recognized by this task (if any).

Parameter	Mand	Type	Default	Constraints
<b>blocks</b>	yes	StringList		

List of fully qualified block names

<b>to</b>	yes	String		
-----------	-----	--------	--	--

Name of the destination dataset

## 5 Errors

This section documents warnings and errors generated by this task (if any). Note that warnings and errors can also be generated in the SAS infrastructure libraries, in which case they would not be documented here. Refer to the index of all errors and warnings available in the HTML version of the SAS documentation.
